KATY MOORE WINES

New Arrivals for spring lists

2023 Moscato d'Asti DOCG Ghiga 6x750ml \$20.33/\$122.00

Another sensational Moscato vintage from the Ghiga Brothers. Yes, we have residual sugar here, but it's balanced to perfection. Highly aromatic notes of peach and heady blossoms. With 5% abv a great sipper an ideal food pairing wine. The focus of Ghiga is quality and I can attest that while fresh and youthful the Moscato is amazing its ability to age and evolve makes it stand out.

2022 Langhe Nebbiolo DOC Le Margherite Ghiga \$23.96/\$287.50

The vines are from a single vineyard in the municipality of Santo Stefano Belbo. The vineyard has a southern exposure, the soil is made up of clay and limestone with a high magnesium content. The fruit is hand harvested, crush/destemmed then on to a prolonged pump over skin contact regime. This is all carried out in stainless steel tanks, oak use for maturation is minimal at 4 months. As the vines are so young the wine is fresh and vibrant, youthful in all aspects which the winemaking reflects.

2022 Barbera d'Asti DOCG Ghiga \$18.73/224.75

The most recent vintage of this Barbera does not disappoint. Bright Blueberry and Plum aromas with juicy fresh acidity make it a perfect spring wine. There is no oak used in the maturation of the wine so it holds it's bright youthful fruit forwardness.
